

“Live from Liverpool, it’s... golf!”

The home of the Beatles is also the hub city for one of the most amazing golf trips on the planet. Local gems at West Lancashire and Formby Golf Clubs will whet your appetite with classic UK revetted bunkers, followed by a main course of three British Open venues. Royal Birkdale, Royal Liverpool, and Royal Lytham & St. Annes are all within a short drive of Liverpool and on the British Open rotation, each featuring some of the deepest, nastiest, and most photogenic bunkers in Europe.
