

Hawaii, Kauai

Kauai, known as the Garden Island, is the more remote and slower-paced of the Hawaiian Islands. But the golf is top-shelf, starting with the Makai Course at Princeville Resort. Stunning Kaanapali Coast views, the nearby quaint town of Hanalei, and the north shore waves are incredible. The south side of the island features the recently remodeled Poipu Bay Golf Course, absolutely breathtaking ocean views, nearby Waimea Canyon (the Grand Canyon of Hawaii), and top-tier accommodations at the Grand Hyatt Kauai Resort and Spa.
