

Japan

Japan's luxury high-speed train, the Shiki Shima, offers convenient and scenic travel to some of the country's finest golf courses. The Kawana Hotel (Fuji Course), known for having some of the most beautiful scenery of any course in Japan, features elevated fairways that provide breathtaking views of the Pacific Ocean. Golden Valley Golf Club lives up to its name, routed through beautiful valleys among steep mountainous terrain, with almost every hole routed along water features. The amazing architectural bunker shapes at Daihakone Country Club are one of a kind, along with its stunning surrounding scenery.
