

The Ultimate Luxury of Palm Beach, Florida

The ultimate luxury of Palm Beach, Florida, can only be fully enjoyed with reciprocal country club agreements from our travelers' home clubs. With enough pull, we will indulge in the ultimate Florida golf venture. Included on our list of stops are several Pete Dye masterpieces, including Medalist Golf Club (Tiger Woods' home course), Palm Beach Polo Club, Dye Preserve, and the exquisite Old Marsh Golf Club. Additionally, Jupiter Island Golf Club, once rated by the Wall Street Journal as having the wealthiest membership of any club in America, is a quaint little course in the heart of luxurious Jupiter Island. Other stops include Trump National Golf Club in Jupiter, MacArthur Golf Club, and, of course, PGA National. We will tailor an itinerary from this top-shelf group.
