

# Rhine River

Our cruise down the Rhine River is a chance to alternate between amazing European historical landmarks and extraordinary golf. Switzerland's top course, Domaine Imperial, located on property once owned by Napoleon's brother, is a rare Pete Dye design outside of North America, with great views of Lake Geneva. Avion Resort Golf Club is routed precariously on the steep slopes overlooking Lake Geneva and hosts one of the women's major championships annually. St. Leon-Rot in Germany has hosted a pair of European Tour events (both won by Tiger Woods), Golf Bad Münstereifel is a fantastic "hidden gem" in the German countryside, and Koninklijke Haagsche is a traditional links-style course with huge dunes, known as the "Jewel of the Netherlands."
